Hey there friends,

Yesterday's workshop was a blast, thank you to our attendees!

Tonight we'll be meeting directly on Google Hangouts, and we'll be learning Git and GitHub. The intention is, as always, to record and share. Yesterday's workshop is in the process of being captioned now, and I'll let you know when it is uploaded and available to view.

Google Meet joining info
Coding Bootcamp w/ Avi
Wednesday, June 2 · 7:00 – 9:00pm
Video call link: <https://meet.google.com/xuf-gkis-zhx>
Workshop overview: <https://nextjournal.com/avidrucker/day-2-clojure-bootcamp-for-open-source>

Feel free to stop by and just say hello too 🙄

~ Avi
